W9BF is the student governed amateur radio club of TRI-STATE COLLEGE. The primary purpose of the club is to improve the technical knowledge and operating proficiency of its members.

TRI-STATE COLLEGE, a pioneer in accelerated educational courses, offers programs leading to Bachelor of Science degrees in Engineering or Business Administration. The College offers an inexpensive education while operating with the most modern facilities available.

Additional information concerning the amateur radio club or the college may be obtained by writing to: TRI-STATE COLLEGE, Angola, Indiana.

To Amateur Radio Station W9YT. This confirms our 75 SSB contact on Feb 1 19 62 at 2224 EST. Your readability ,
